The PWS 700-115 Angle Grinder – handy and compact.

Ergonomic design for safe and easy handling.

The PWS 700-115 Angle Grinder from Bosch is both handy and robust. It is ideal for cutting off, cutting to length, grinding and brushing. It sits comfortably and, above all, securely in your hand thanks to its new compact design. The option to mount the handle on both sides, the low weight and the easy disc changes make a major contribution towards safe and controlled handling.

New! With patented Dust Protection System from Bosch for a longer lifetime.

The PWS 750-115 Angle Grinder – versatile and flexible.

For cutting, grinding, brushing – for left and right handers.

The PWS 750-115 Angle Grinder from Bosch is a versatile and flexible tool for cutting off, cutting to length, grinding and brushing.

The option to mount the handle on both sides for left and right handers, the compact design and the powerful 750 watt motor enable versatile use for different applications. The low weight and improved ergonomics reduce fatigue when working for extended periods of time and ensure safe and controlled handling at all times.

New! With patented Dust Protection System from Bosch for a longer lifetime.

Ideal for cutting off
and cutting to length.

Efficient brushing.

The PWS 850-125 Angle Grinder – powerful and comfortable.

As much power as you need, less vibration than you expect.

The powerful PWS 850-125 Angle Grinder from Bosch is the ideal tool mainly for metalworking (cutting, grinding, brushing) and for cutting tiles and concrete blocks.

The easy disc changes and the powerful 850 watt motor enable versatile use. Its compact design, reduced weight and vibration-damping handle ensure maximum comfort, especially when performing longer and more demanding tasks. The optimised ergonomic shape and the handle that can be mounted on both sides enable safe and controlled handling at all times.

New! With patented Dust Protection System from Bosch for a longer lifetime.

Vibration Control

Bosch Vibration Control reduces annoying vibration

Dust Protection System

Protects against dust and increases the lifetime

Ideal for cutting off
and cutting to length.

Controlled
grinding.

The PWS 700-115 Angle Grinder from Bosch.

Easy

Disc changes using tool-free spindle lock

Lightweight

Low weight ensures easy handling

Ergonomic

Best control and optimum guidance

Powerful

701 watt motor

Safe

Coding of the protective guard prevents incorrect fitting

Flexible

Handle can be mounted on both sides for left and right handers

Cutting

Grinding

Brushing

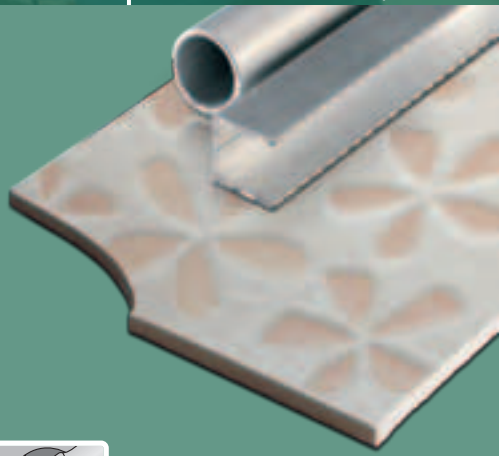

Protective cap

Dust Protection System

The patented Dust Protection System from Bosch prevents grinding or cutting dust from collecting in the ball bearing. This ensures optimum performance and a longer lifetime.
